Igniting Hope & Dreams through education in rural India

**FOUNDATION FOR ECONOMIC &
EDUCATIONAL DEVELOPMENT**

**Join us Today & Make
the Difference**

For 3 Decades, FEED has empowered rural India through education, backed by generous donors. Together, we light up young lives, open doors of opportunity, and create a brighter future.

Together, we can rewrite the story of rural India through education

MESSAGE

Assalamualaikum My Dear Brothers & Sisters,

I am thrilled to welcome you to another year of serving rural India with love, care, and charity. It has been 3 decades since FEED began empowering rural India through education and charity, and we are more committed than ever to our mission.

Our network of schools continue to expand, offering education and opportunities to countless young minds. We have provided scholarships to the most deserving students, and we have sponsored the education of orphaned children, ensuring they have a chance for a brighter future.

We have also continued to address the pressing needs of rural communities, providing access to clean water and assisting with disaster relief efforts. Through our various programs, we have been able to make a positive impact in the lives of those we serve.

All of this would not have been possible without the support of our donors. Your generosity has been the backbone of our efforts, and we are grateful to each and every one of you. We know that there are many challenges ahead, but we are confident that, with your help, we can overcome them and continue to make a real difference in the world.

As we begin this new year, I invite you to join us on this journey of hope and change. Together, we can create a brighter future for rural India.

Sincerely,

GHIASUDDIN BABUKHAN

Managing Trustee

OUR MISSION

Quality education; life and career building skills; helping women and providing assistance through charity in times of their needs. These are the core focus areas.

OUR VISION

Empowerment of the under-privileged, access to quality education and thereby achieving a brighter future.

OUR BELIEFS

Empowerment through education and freedom through knowledge is the guiding principle driving our organisations.

Discover the passion that fuels our pursuits

In a world where our cherished values and ideals are constantly challenged, there is no greater imperative than to nurture a generation capable of standing on its own. Education and training are the keys to unlocking this potential. Education not only protects children from the harshness of the world but also shapes them into compassionate and responsible individuals, leading to the growth of the society. It is a promise for a brighter future, and FEED is committed to being the flag bearer of that promise.

Our mission at FEED is to bridge the gap between deserving students and high-quality education. Inspired by the spirit of charity, we employ the concept of productive distribution of wealth in all our projects and the functioning of the organization. We strongly believe in a centralized Zakat initiative and aim to extend our reach to the most deserving socio-economic communities in our society.

CHARITY WITH A STRATEGY

FEED awards scholarships in diverse educational fields including but not limited to humanities, medicine, engineering, IAS services, law etc.

We envision a future where India has the brightest minds and a most talented young generation to lead the nation.

A TRANSPARENT & INCLUSIVE SYSTEM

Thousands of loyal donors from India and abroad, trust FEED for its transparent, inclusive and well audited charity platform where their contributions go directly to the beneficiaries.

Creating a legacy of education and empowerment for rural India

FEED'S CONTRIBUTION

Over the past 3 decades, FEED has made a significant impact in the lives of several beneficiaries. Our efforts have included establishing schools, providing education to orphans, facilitating the remarriage of young widows, supplying clean drinking water, and offering relief and rehabilitation to families affected by both natural and man-made disasters. For three decades, FEED has worked tirelessly towards creating a brighter future for those in need.

Distribution of food grain packs

Delivering Impactful Aid to Communities in Need

FEED's efforts are not just about providing basic necessities, but about making a meaningful impact in the lives of those in need. Through its extensive network of volunteers and partners, FEED is able to identify areas of need and deliver aid that matters most to the local communities.

FEED's commitment to aiding those in need extends beyond just providing material assistance. They understand the emotional toll that a lack of resources and support can take on individuals and communities. By offering scholarships to orphaned children, they give them the opportunity to dream of a brighter future.

FEEDING THE POOR

Food grain kits were distributed to the most deserving school children studying in FEED sponsored schools, most of the beneficiaries are girls.

REMARRIAGES OF YOUNG WIDOWS

FEED helps young widows in their remarriages by providing financial aid and support.

PROVIDING BENCHES

FEED provides new benches to schools it supports and manages, with the aim of providing a better learning environment for students.

Empowering the future, through education & support

Through our initiatives such as building schools, providing scholarships, food, uniforms, and books, we strive to unlock the potential of every child and empower them to create a brighter future for themselves and their communities.

EDUCATIONAL AID & SCHOLARSHIPS PROJECTS

FEED has made a significant impact on the lives of thousands of children through its extensive network of 91 schools. Among the 22,500 children who attend these schools, the majority are girls and almost 1600 are orphans. In collaboration with GBKCT, FEED also manages the 120-acre Hyderabad Institute of Excellence (HIE) which has sent hundreds of students to premier institutes across the country for excellence and specialisation.

Education is at the core of FEED's mission, and we believe that it is the key to breaking the cycle of poverty and empowering communities. Therefore, most of our charity projects are strategically focused on education and educational upliftment of the masses. We are committed to building a society that is enlightened and empowered, where everyone has access to the tools and resources they need to succeed.

Mr. Fazlani & Team at HIE Hostel

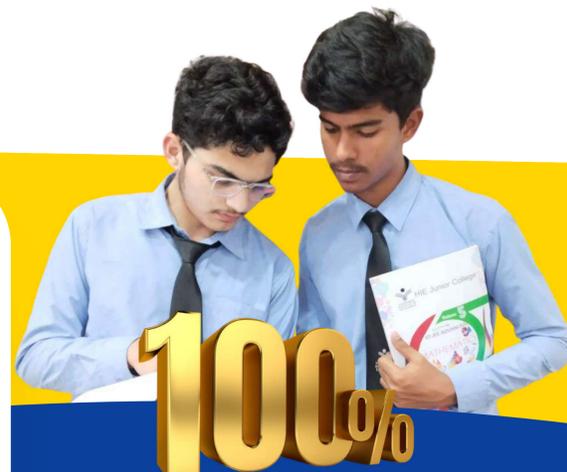

Preparing future leaders through advanced educational resources

In a competitive landscape, success favors the fittest, relegating underachievers to the bottom. Hyderabad Institute of Excellence (HIE) nurtures students for careers in IITs, engineering, and medical streams. Our philosophy is the transformative power of knowledge in grooming the next generation of leaders.

HIE MISSION

Hyderabad Institute of Excellence (HIE) provides holistic education with world-class amenities, modern infrastructure, and quality academics. HIE promotes all-round development through literary, sporting, artistic, and outdoor activities, fostering a competitive spirit, enhancing personalities, and developing critical thinking and leadership skills. Ethics, moral education, creativity, and academics form the foundation of HIE's programs.
