MESSAGE FROM OUR FOUNDER

In Loving Memory of Our Founder
MR. GHIASUDDIN BABUKHAN

A legendary philanthropist and founder of Foundation for Economic & Educational Development, Hyderabad Zakat Charitable Trust & Ghiasuddin Babukhan Charitable Trust. He has transformed the lives of over half a million poor families through quality education, creating first-generation professionals and breadwinners across IT, medicine, engineering, law, and public service.

He believed:
"Whether I remain or not, the work must go on.
A recipient of zakat should become a giver of charity."

We miss you, GBK.
Your legacy lives on.

THE HEART OF OUR JOURNEY

In today's challenging world, fostering a resilient, educated generation is vital. Education not only protects our youth but also shapes them into empathetic, responsible adults, guiding societal progress.

At FEED, we're committed to this cause, aiming for a bright future for them. Our mission transcends academic support, focusing on connecting deserving individuals with quality education through philanthropy and effective wealth distribution irrespective of caste or religion

NURTURING HOPE AND EMPOWERMENT

FEED's mission transcends providing essentials; it's about instilling lasting change in communities. With a robust network of volunteers and donors, FEED identifies crucial needs, delivering targeted assistance that profoundly impacts lives.

"Jashn" Education Program - Government Schools

Educating Dreams. Empowering Futures.

FEED Trust runs 3 English-medium schools for children of illiterate, underprivileged parents — many becoming first-generation literates.

With nominal fees, we ensure quality English medium education to those who need it most.

Your zakat / charities don't just fund classrooms, it breaks the cycle of poverty, gives children confidence, and opens doors to their parents who could only dream.

2025-26 ACTIVITIES

Total: Rs. 3.04 crores

BENEFICIARIES - 22,286

SCHOLARSHIPS

RS. 88.92 lakhs
ORPHAN'S EDUCATION
PROFESSIONAL COURSES
Beneficiaries - 1,783

FEED - Government Rural Schools

The Government's rural schools continue to face challenges in access to qualified educators and adequate infrastructure.

FEED partners with 91 government rural schools, providing dedicated teachers and essential resources to support academic excellence. Through this initiative, 20,000 students are empowered with the skills, confidence, and opportunities needed to gain admission to premier colleges and achieve long-term success in life.
